- **13.** Date, time, place and agenda items for next meeting Tuesday 9 July 2019 at 7.30pm in the Parish Office, Riverside, Bishopstoke

1) L When

D L Wheal Clerk to Bishopstoke Parish Council 4 June 2019

Minutes of a Meeting of the Finance and General Purposes Committee held in the Parish Office, Riverside, Bishopstoke commencing at 7.30pm on 14 May 2019

Present: Cllrs Harris (Chair), Brown, Dean, Tidridge, Toher and Winstanley

In Attendance: Mr D Wheal (Clerk to Bishopstoke Parish Council)

Public Session0 members of the public were present

FGP_1920_M02/

Public Session

11 Apologies for Absence

11.1 Apologies had been received and were accepted from Cllr Thornton.

12 To accept as a true record, and sign, the Minutes of the Finance and General Purposes Meeting held on 9 April 2019

12.1 The minutes of the above meeting had been circulated prior to this meeting.

12.2 Proposed Cllr Toher, Seconded Cllr Winstanley, **RESOLVED** unanimously that the Minutes of the Finance and General Purposes Meeting held on 9 April 2019 be accepted as a true record.

13 To consider Matters Arising from the above Minutes

13.1 The Clerk reported that following the internal auditor's report anything relating to updates from the Clerk from previous meetings or actions will be included in Clerk's report.

13.2 There were no further matters arising.

14 Declarations of Interest and Requests for Dispensation

14.1 Cllr Toher declared an interest in the payments report as it includes the grant for Age Concern, Bishopstoke.

15 To receive reports from Working Groups: Cemetery; Human Resources; Travel Tokens and Communications & Engagement

15.1 Communications & Engagement: Cllr Winstanley reported that the Clerk was still waiting for promised articles for the newsletter. Cllr Winstanley had also contacted a resident who is willing to take photographs for the Parish website. The Clerk has attempted to make contact but had no response. Cllr Winstanley offered to obtain the email of the resident.

Action: Cllr Winstanley

15.2 Human Resources: Cllr Toher reported that the Working Group had met the previous night for the quarterly review and that everything was positive. Progress towards the Clerk's targets is good.

Initial: _____ Date: _____

15.3 Neighbourhood Plan: Cllr Tidridge noted that the Neighbourhood Plan Steering Group is meeting on Thursday 16th May.

16 To receive the RFO's report and approve the Budget Monitoring and Payments reports for April 2019

16.1 The Clerk provided the Committee with the RFO's report. The three largest payments in April all actually relate to work completed and invoiced in the previous financial year and are therefore removed from the budget monitoring for this year. They show as green entries on the Budget Monitoring report. The Clerk updated the Committee on some of the details of the payments and undertook to provide an updated Payments report for when the minutes are signed off next meeting. The Clerk also reported that the Internal Auditor had completed her inspection and was satisfied with the state of the Council's accounts. There are a number of "best practice" changes to be made as a result, including all reports that do not involve decision making (such as County Cllr, Borough Cllr, Chair, Parish Cllr, Clerk, RFO and Working Groups) being presented as written reports in the document pack and added to the minutes separately. The Clerk will bring forward the full internal auditor report at the May Full Council meeting.

Action: Clerk

16.2 The Budget Monitoring and Payments reports for April 2019 had been circulated with the supporting documents for this meeting.

16.3 Proposed Cllr Winstanley, Seconded Cllr Harris, **RESOLVED**, with Cllr Toher abstaining, that the Committee approve the Budget Monitoring and Payments reports for April 2019.

17 To make recommendations on the grant requests from Victim Support and Challengers

17.1 The grant request forms had been circulated in the document pack for the meeting.

17.2 Proposed Cllr Toher, Seconded Cllr Harris, **RECOMMENDED** unanimously that the Council grant £200 to Victim Support.

17.3 Proposed Cllr Tidridge, Seconded Cllr Brown, **RECOMMENDED** unanimously that the Council grant £750 to Challengers.

18 To make recommendations on the working arrangements for Bishopstoke Carnival

18.1 The Clerk confirmed that the Carnival team are a Working Group.

18.2 The Clerk also noted that the Neighbourhood Plan Steering Group is not actually run by the Council but is a Community Group supported by the Council. As such it is not necessary for the Council to have Terms of Reference for it. This will be discussed at the next available opportunity with the Steering Group.

18.3 Proposed Cllr Toher, Seconded Cllr Dean, that Carnival report to Full Council.

18.4 Proposed Cllr Tidridge, Seconded Cllr Toher, **RESOLVED** that the proposal be amended to say that "all Working Groups report to Full Council".

18.5 Proposed Cllr Tidridge, Seconded Cllr Toher, **RECOMMENDED**, with Cllr Harris abstaining, that all Working Groups report to Full Council.

19 To consider and recommend approval of the Annual Governance Statement for the year ended 31st March 2019

19.1 The Clerk informed the Committee that the Internal Auditor had approved the Council accounts and had completed and signed off her section of the audit return. The Clerk also noted that the Clerk and RFO both recommend that Boxes 1 to 8 of Section 1 of the audit return – the Annual Governance Statement – be marked "Yes", with box 9 marked "N/A".

19.2 Proposed Cllr Harris, Seconded Cllr Toher, **RECOMMENDED** unanimously that the Council complete the Annual Governance section of the audit by marking boxes 1-8 as "Yes" and box 9 as "N/A".

20 To consider and, if appropriate, recommend adoption of the Financial Accounts for the year ended 31 March 2019

20.1 The figures for the Financial Accounts had been included with the document pack for the meeting. Some Councillors were unable to view the figures so the Clerk undertook to provide a written and scanned copy for Full Council.

20.2 The Clerk indicated that there were two amendments to make to the figures as contained in the document pack. For the year ending 31^{st} March 2019, Box 6 now reads £217,384. This leads to a change in Box 7 which now reads £158,534. This change follows an extra invoice being dealt with as an accrual for work done in 2018-19 but paid in 2019-20.

20.3 Proposed Cllr Toher, Seconded Cllr Winstanley, **RECOMMENDED** unanimously that the Council adopt the Financial Accounts for the year ended 31st March 2019.

21 To receive the Clerk's report, including an update on Parish Assets

21.1 Allotments – The Clerk reported that inspections have now taken place and letters have been written to plot holders who have not begun cultivation yet and have not provided an explanation. Several plots are to be regularly monitored over the coming weeks. Letters have also been written to owners of greenhouses that are too close to the pathways, requesting the application of safety film to mitigate against accidents. Legionella risk assessments have been carried out at both allotment sites and at the Cemetery. Bath cleaning at Underwood Road has been carried out. The waiting list as at 7th May was Jockey Lane 6; Underwood Road 1; Sewall Drive 22; Nine Acres 14, and Nine Acres Disabled Plots 2. This means that 3 plots have been let since the previous meeting.

21.2 Burials – There is currently one ashes reopening planned in the Cemetery in May and one new ashes plot in August.

21.3 Cemetery – The Clerk indicated that there was nothing further to report.

21.4 Closed Churchyards – The Clerk reported that HALC have replied providing one legal topic note. They have not yet been able to provide anything concrete that would allow us to limit the number of faculties that we need. We have gone back to them to ask for clarification.

21.5 Parish Office – The Clerk indicated that there was nothing to report.

21.6 Play Areas – The Clerk reported that he is currently awaiting the latest set of quarterly inspections. Cllr Tidridge asked whether there would be a new play area in the Nine Acres site and the Clerk replied that there would be. It will be designed by the Borough and installed by Bovis.

21.7 General – The Clerk reported that the discussion of what to ask for as part of the Community Infrastructure Project list has been included in the budget process.

Initial: _____ Date: _____

22 Date, time, place and agenda items for the next meeting

22.1 The next meeting is scheduled to be on Tuesday 11 June 2019 at 7:30pm in the Parish Office, Riverside, Bishopstoke.

22.2 Agenda items for this meeting should be received by the Clerk no later than Monday 3^{rd} June 2019.

There being no further business, the Chair closed the meeting at 8:10pm

APPLICATION FOR GRANT AID

1.	Name of Organisation	Asian Welfare and Cultural Organisation (AWCA)
7.	Objectives and Member Criteria	To promote the health, welfare & culture of Asian people within the Borough of Eastleigh. Using a variety of methods including advancing public education in Asian culture, in particular in the arts of traditional Asian music, drama and dance (see attached Constitution)
8.	Total Membership Proportion in BStoke	Anyone who lives in the Borough of Eastleigh can be a member of the AWCA. There are about 130 members in total and a number are from Bishopstoke. However we are applying for funding for the Eastleigh Mela which is a large event open to the whole community. Residents from Bishopstoke regularly attend and are involved as volunteers.
9.	Total Grant	£500
10.	Grant Purpose	The Eastleigh Mela is on Sunday 21st July on the recreation ground in the centre of Eastleigh. This year, so far, we have the Singing Minds Choir, a group of people with dementia; an American Jazz Band, Flavours of India, a dancing group, Punjabi Bhangra, Polish folk dancing, Brazilian Samba and Caribbean Twist performing. We are asking for the grant to be put towards Children's activities which include a climbing wall, falconry display, mini trampolines, kite making & amp; ribbon making.
11.	Estimated income of organisation	£16,500 (if we get all we have applied for)
12.	Estimated expenditure of organisation	£18,000
13.	Other funding	We are applying to other public, private and voluntary sector funders such as HCC, other Parish Councils, Tescos, Persimmon Homes, EBC, Police and Fire Services. We also put in an amount from our own funds.

F&GP – June 2019 - Scope

A representative from Scope has been in touch with the Council and would like to know if Councillors can suggest any possible locations for textile recycling banks within Bishopstoke.

REPORT TO BISHOPSTOKE PARISH COUNCIL (Finance & General Purposes Committee)

11th June 2019 Agenda Item: 10

Report Subject: Purchasing of software for various functions

Report Author: The Clerk

Executive Summary:

This report outlines the benefits of purchasing software to help the Parish best serve its residents.

Recommendations:

The Parish Council is recommended to:

- 1) Create a new budget head within the Admin (110) section for Software licensing.
- 2) Allocate £2,000 from reserves for this budget head.
- 3) Authorise the purchase of the finance package, the allotment package and the cemetery package from Edge online and any necessary training for those packages.
- 4) Authorise the purchase of the bookings package from Edge online and any subsequent training once the Parish Council completes the takeover of the Memorial Hall.

Notes:

The parish finances are currently kept on a spreadsheet. This is adequate for the current situation of the Parish Council but presents several problems for the future.

Firstly, as the spreadsheet becomes more automated then there is a risk that future officers of the Council may not be able to either rectify any problems with the spreadsheet or be able to amend how it runs. A software finance package would mitigate against this by giving access to training and support should there be any problems.

Secondly, although the Council is not currently required to be VAT registered, once the takeover of the Hall is complete it is likely to be necessary. In previous years this would not have presented a problem however with the advent of Making VAT Digital, which comes online later this year, there will be a requirement for every VAT registered organisation to submit their VAT refund requests via a new portal. Access to this portal is being limited. It will be necessary to either purchase a piece of software to convert the Parish spreadsheet into a suitable format, or to purchase a finance package with this already built in. The Edge online package is already compliant with these requirements.

Thirdly, with the increasing number of allotments and the associated time to administer them, having a software package that allows most tasks and letters to be automated, and which also links directly with the finance software, so that invoices and late payment requests are automatically generated will save a lot of time. Fourthly, the cemetery package links up with the finance package in a similar way, and so would prove equally useful. In addition, the cemetery package can be linked to the mapping software that the Parish is intending to purchase, allowing for up to date online maps to be produced.

Finally, the bookings package also links up with the finance package, which will lead to a smoother integration of the Memorial Hall when the takeover is complete.

The costs for the packages vary depending on length of contract but a 5-year contract for all three of the initial packages comes to $\pounds948.80 + VAT$ per year of the contract. This includes discounts for having multiple packages and includes the permission for three officers to be using the same package at the same tame. In contrast, a monthly rolling contract works out to be $\pounds1,900 + VAT$ per year - double the cost. Buying a single package – for example the finance one – also proves expensive as we would then need to pay for additional users beyond the first one. This would come to $\pounds659$ per year for a 5-year contract. This means that the additional cost of the allotment and cemetery packages is less than $\pounds300$ per year in total.

Reasons for the Decision:

To protect the Council from future issues arising from using spreadsheets To ensure the Council is compliant with Making Tax Digital To allow seamless integration between various areas of the Council

F&GP – June 2019 – Glebe Meadow

There are now a number of issues with regards to Glebe Meadow generally and the Skate Park area more specifically.

Summary of issues

Litter – there is an increasing amount of litter being dumped on an almost daily basis by those that use the skate park area. This is far in excess of any other area that Green Smile litter pick on our behalf. Every time a bin is installed it is vandalised or demolished within days, sometimes hours.

Graffiti – although rare, graffiti has started to re-appear at the skate park, and is becoming more and more offensive.

Stolen items – in the last 2 weeks there have been entire packs of drinks confiscated by the police and this week the police informed me of 3 stolen bicycles which had been smashed and dumped up at the skate park.

Public hygiene – some of the groups using the skate park are also using the bushes nearby to urinate in. Full bottles of liquid are occasionally left at the skate park which unsuspecting younger children could drink.

Damage and vandalism – some youths have begun to bring tools with them. Branches have been chopped down in the hedge / tree boundary to the north of the skate park to enlarge the covered den that has been created there. Not content with removing the bin by the skate park the bin in the children's play area has now been vandalised and ripped out. Additionally, attempts have been made to saw through the supports of the basket swing. Finally, the remaining solar panel battery pack has now been ripped out.

Our contractors are not always able to clear the area due to the presence of large groups of intimidating youths. I am sure that residents who wish to either use the equipment themselves or take their children to use it could also feel intimidated. There is also a noise nuisance to those living around Glebe Meadow – often late into

the night. Anecdotal evidence suggests that there may be an increased shoplifting risk, and also that some of the groups who simply inhabit the space around the skate park may be from outside Bishopstoke.

For all these reasons the Council is being asked to consider what could be done to help. The obvious suggestion that has been made is to remove the shelter and the bench at the skate park. I have been quoted a figure of less than £300 to have those items removed. This however may only succeed in moving the problem elsewhere, if it succeeds at all. Doing nothing and waiting them out does not appear to be a viable option at this point.
